

## Field Trip Permission

I give permission for my child, \_\_\_\_\_  
to participate in the \_\_\_\_\_ - \_\_\_\_\_ Genesis Preschool field trips. I understand that I  
will be notified of the specific details of each excursion prior the field trips. Parents  
will be asked to drive and chaperone each trip. Chaperones are required to have  
current inspection, registration and insurance on their vehicles. Students are  
required to be secured in appropriate child car seats.

## Webpage

Genesis has a webpage through Shutterfly. Here I am able to post the monthly  
calendar, newsletter and other forms that are sent home. I can also post pictures of  
the children, which is my favorite thing about it.

The webpage is not open to the public. To access the page is by invitation only and  
then you create your own password.
